Dear Sir,

**PROGRESS AND QUALITY PERFORMANCE**

We would like to thank you and the personnel involved in the above project. The following items contributed to the success of the project:

- The quality of the work, and complying to the SANS code of practice.
- To construct structures to our specifications & designs.
- Team work on site, and with the client.
- Your personal involvement on site.
- Effective communication to all parties involved
- Technical skills of your personnel
- Commitment to the time schedule of the program

We are looking forward to work with Robbie Stroebel in the future. Yours faithfully

**ANDRÉ JOOSTE (Pr. Eng.)**
